Business Name: Techsitix LLC

Website: <https://techsitix.com>

These Terms and Conditions govern your use of the Techsitix LLC website. By accessing or using this website, you agree to these Terms.

If you do not agree, do not use this website.

1. Website Purpose

Techsitix LLC provides information about technology services, websites, funnels, systems, automations, integrations, GoHighLevel support, technical support, project work, and related business technology services.

The information on this website is for general informational and marketing purposes only. It does not create a client relationship or guarantee that any service will be provided.

2. No Client Relationship Until Agreement Is Accepted

Submitting a form, booking a call, using live chat, sending an email, or communicating with Techsitix LLC through this website does not create a client relationship.

A client relationship begins only when both parties agree to specific services, pricing, payment terms, project scope, and applicable terms through a written agreement, proposal, statement of work, invoice, checkout page, or other accepted written arrangement.

3. Services and Separate Agreements

Any paid services provided by Techsitix LLC may be governed by separate terms, including proposals, service agreements, statements of work, invoices, subscription terms, retainer terms, project terms, or other written agreements.

If there is a conflict between these website Terms and a signed or accepted service agreement, the signed or accepted service agreement controls for that specific engagement.

4. No Guarantee of Results

Techsitix LLC may provide services related to websites, funnels, automations, integrations, software systems, CRM setup, technical support, business operations, and technology consulting.

We do not guarantee specific business outcomes, revenue increases, lead volume, conversion rates, search rankings, system performance, marketing performance, software uptime, or uninterrupted platform availability.

Technology projects depend on many factors outside our control, including third-party platforms, client-provided materials, account access, business processes, internet services, software limitations, vendor changes, client responsiveness, and platform policy changes.

5. User Responsibilities

You agree not to use this website to:

- Violate any law or regulation
- Submit false, misleading, unlawful, or unauthorized information
- Attempt to gain unauthorized access to the website or related systems
- Interfere with website functionality or security
- Upload malicious code, spam, or harmful content
- Copy, scrape, or misuse website content
- Submit protected health information, patient information, medical records, financial account information, passwords, access credentials, or other sensitive information through general website forms, chat tools, booking forms, or email unless specifically instructed through a secure process

You are responsible for ensuring that any information you submit is accurate and that you have the right to provide it.

6. Sensitive Information and HIPAA Notice

Do not submit protected health information, patient information, medical records, Social Security numbers, financial account information, passwords, account credentials, or other sensitive information through general website forms, live chat, booking forms, or email.

Techsitix LLC may work with businesses in health, wellness, healthcare-adjacent, or regulated industries. However, use of this website alone does not create a HIPAA-compliant relationship.

If a project involves regulated data, protected health information, or HIPAA-related obligations, those requirements must be addressed in a separate written agreement. Where appropriate, a Business Associate Agreement may be required before any protected health information is accessed, transmitted, processed, or stored.

Techsitix LLC is not responsible for third-party websites, products, services, terms, privacy practices, outages, pricing changes, policy changes, security issues, or platform limitations.

Use of third-party tools is subject to the terms and policies of those third parties.

9. Website Forms, Booking Tools, and Communications

You may submit inquiries through website forms, booking tools, live chat, or email.

Submitting information does not guarantee acceptance as a client, availability, response within a specific timeframe, or that Techsitix LLC will provide the requested services.

We reserve the right to decline inquiries, projects, or service requests at our discretion.
